Burrows and Associates Engineering Consultants, Ltd. was formed in 1989 and provides a wide range of engineering design services. Those services include HVAC design, plumbing and process piping design, lighting system design, electrical system design, communications and data system design, site utility design and energy system analysis. In our 29 year history, we have worked on virtually every type of building MEP project. We have over 70 years of building MEP design experience with our 5 Professional Engineers on staff and an additional 40 years of experience in design and project management in the firm.

Our Hospitality experience is extensive and covers all major Hotel brands as well as Resort work for Westgate Resorts.

Hospitality and Lodging- 120+ Hotels and 5 Conference and exposition centers.

Clients: Hilton hotels and resorts, Marriott International, Intercontinental Hotels group, Choice Hotels International, Best Western, La Quinta and Wyndham hotels and resorts along with several Non branded hotels.

Let us leverage our extensive Hotel design experience on your next project.
