Burrows and Associates Engineering Consultants, Ltd. was formed in 1989 and provides a wide range of engineering design services. Those services include HVAC design, plumbing and process piping design, lighting system design, electrical system design, communications and data system design, site utility design and energy system analysis. In our 27 year history, we have worked on virtually every type of building MEP project. We have over 70 years of building MEP design experience with our 5 Professional Engineers on staff and an additional 40 years of experience in design and project management in the firm.

Civic and Municipal: 19 Projects for 5 Federal departments, 8 Projects with the State of Arkansas and 5 Projects with 4 Cities in Arkansas and Oklahoma.

Parks and Recreation: Multiple projects at 6 Arkansas State Parks, Municipalities and the Boy Scouts of America.

Higher Education: Multiple Projects at 5 Colleges and Universities and 44 primary school districts in Arkansas, Oklahoma and Missouri. Burrows & Associates was the engineering firm on call for the University of Arkansas, Fayetteville from 1992-2002.

Public Schools: Multiple projects for 28 school districts in Oklahoma, 15 school districts in Arkansas and 1 school district in Missouri.

Office Buildings: 20 major developments for clients like Tyson, Merrill Lynch, PAM trucking, Shelter insurance and the Arkansas oil and gas commission.

General Qualifications

In our 27 year history, we have worked on virtually every type of building MEP project. We have over 70 years of building MEP design experience with our 5 Professional Engineers on staff and an additional 40 years of experience in design and project management in the firm.

Military and DOD: We are currently the prime design professional for the Military Department of Arkansas (2015- 2022) and have completed multiple projects at Fort Chaffee, Little Rock Air Force Base and Ebbing Air Guard base.

Health Care: 48 projects for 22 health provider systems including new construction, additions, modifications and renovations.

Hospitality and Lodging- 120+ Hotels and 5 Conference and exposition centers. Clients: Hilton group, Marriott group, Holiday Inn group, Choice Hotels International Best Western, La Quinta and Wyndham Hotels and resorts along with several Non branded hotels.

Multi-Family And Senior Residential: 15 Multi-family and senior residential facilities in Arkansas and Missouri.

Elder Care and Senior Citizen Services: 50 facilities in 10 states supporting elderly care, rehabilitation or assisted living.

Commercial and Retail: 24 significant projects from single client work (J.C. Penny's) to multi-purpose facilities and retail/restaurant complexes. We have also completed over 100 tenant finish outs.

Churches and Ministries: 51 projects ranging from new construction to additions and renovations.

Restaurants: Projects in multiple states for 28 local and national chains including McDonald's, Pizza Hut, Hardees, Little Caesars, KFC, Burger King, Dunkin' Donuts, Whole Hog Cafe and Catfish John's.

Vehicle showrooms: 11 major manufacturer show rooms including Ford, Chevrolet, Dodge, Chrysler, Honda, John Deere and Mercedes Benz.

Native American Tribe Projects: We have complete projects for 5 Native American Tribes including Housing, Cultural Museums, Stores and Casinos.
